ADVANCE KNOWLEDGE.

Graduate and Postdoctoral Studies
We acknowledge that the University of Guelph resides on the ancestral lands of the Attawandaron people and the treaty lands and territory of the Mississaugas of the Credit. We recognize the significance of the Dish with One Spoon Covenant to this land and offer our respect to our Anishinaabe, Haudenosaunee and Métis neighbours as we strive to strengthen our relationships with them.
WHAT PATH WILL YOU TAKE?

I am delighted that you have taken a moment to explore graduate studies at the University of Guelph. As you will see in these pages, we offer over 100 graduate programs across the University’s seven colleges through which you can work with internationally recognized faculty to prepare yourself for academic and professional careers, and, within our thesis-based programs, advance knowledge for the benefit of all.

Graduate studies are special. As compared to your undergraduate studies, most graduate programs require you to take ownership of your studies be it in defining a pertinent research question, completing a workshop to add a complementary professional skill to your repertoire, completing an industry internship, or co-authoring an academic paper for Nature or Science. Further, your studies will involve more than textbook learning and lecture halls. Our graduate students commonly work in research labs, complete studio art, guide undergraduate labs or seminars, and undertake field work in sometimes exotic places.

Indeed, this picture was taken by one of my own graduate students on the Monarch Mountain Trail outside Atlin, BC. I was there to set her up for a field season working with the Taku River Tlingit First Nation.

Most of the time, I wear a suit and sit in meetings. Graduate studies can take you away from all that.

Dr. Ben Bradshaw
Assistant Vice-President
U of G receives over $14 million in graduate scholarships annually.

SCHOLARSHIPS AND FUNDING
graduatestudies.uoguelph.ca/current/funding

Graduate student scholarship options include departmental stipends, federal scholarships, provincial scholarships, internal university-wide awards, and internal college scholarships.

Here are a few scholarships unique to U of G:

**Aboriginal Graduate Scholarships**
Total Value: Master’s - $30,000; Doctoral - $120,000

**Arrell Graduate Scholarships**
The goal is that future generations are well fed, that diets are nutritious and equitable, and that agriculture is sustainable.
Total Value: Master’s - $100,000; Doctoral - $200,000

**Brock Doctoral Scholarship**
For high level of academic achievement and making significant teaching and research contributions. Winners represent the very best in their College and at the University.
Total Value: $150,000

**Dairy Farmers of Ontario Research Scholarship**
Research scholarship to doctoral candidates doing dairy research.
Total Value: $105,000

**International Doctoral Scholarships**
Encouraging recruitment of international doctoral students.
Total Value: $50,000

In 2019 we were granted over $150 million in research funding.

Our grad students go on to wide-ranging careers in academia, government, non-profit and private sectors.

42%* Masters grads go on to work in the private sector.

32%* Masters grads go on to work in health or government roles.

47%* PhD grads are working in research and/or academia.

* Based on self reported data from LinkedIn

There are 2,606 grad students currently enrolled in 103 graduate programs.
Looking for an Advisor?
Visit the department website and contact the faculty member(s) you are interested in working with directly. They are interested in knowing more about what research you want to do, why you want to work with them, and if you have applied to or received any scholarships.

Our graduate faculty are leading global researchers and scholars who are continually working to improve life. Take a look at our Spotlight on Faculty page to learn more about their work:

graduatestudies.uoguelph.ca/future/faculty

Achieving Your Goals
Graduate studies at the University of Guelph offers the opportunity to study and conduct research across various disciplines. With access to professors and professionals from a variety of programs, a graduate program can be tailored to your specific research interests.

Student-focused
Graduate students will have the opportunity to work closely with faculty members who are committed to the development of their students as future researchers, educators and practitioners.
Grad Student Resources

Improve life as a graduate student at U of G.

The University of Guelph’s rich and collaborative graduate studies experience is what you can expect from an institution with such a profound legacy of success. Your studies and the knowledge that you create are the primary focus of everyone here. Our support is both academic and cultural, and inclusive of all students and faculty. We are competitive but never at the expense of the outcomes you pursue. Graduate studies at U of G is a community. Our shared purpose is to improve life, and we start by improving the environment in which you learn and explore.

Photo: Kyra Lightburn (PhD, Plant Agriculture)

Graduate Student Learning Initiative (GSLI)
gsl.uoguelph.ca

The GSLI brings together key campus services that support academic and professional skill development for graduate students as learners, instructors, researchers, and professionals.

Photo of students in both the Bachelor and Master of Landscape Architecture program

Library
lib.uoguelph.ca

Our students have access to an extraordinarily wide range of information through the main library’s electronic resources and our innovative partnership with both the University of Waterloo and Wilfrid Laurier University.
Office of Research
uoguelph.ca/research
The Office of Research at U of G works to enable and create opportunities in support of people and partnerships that advance the quality, preeminence, and societal value of the University of Guelph’s research and creative endeavours.
Photo: Simone Renwick (PhD, Molecular and Cellular Biology)

Student Services
uoguelph.ca/services
Graduate students have access to a wealth of student services, enabling them to achieve their educational and personal goals.
Photo: Trust Katsande (MSc, Plant Agriculture)

Accessibility
uoguelph.ca/csd
We are committed to creating a barrier-free environment with the belief that providing accessible services is a shared responsibility among students, faculty, and administrators.

Aboriginal Resource Centre (ARC)
studentlife.uoguelph.ca/arc
The Aboriginal Resource Centre (ARC) strives to increase the representation of First Nations, Métis and Inuit learners. ARC offers a wide range of services including bursary and scholarship information, cultural programming, connections to the community, and research support.

Athletics and Facilities
gryphons.ca
The Guelph Gryphons Athletic Centre is a new, state of the art 170,000 sq’ fitness centre. The facility features a suspended running track, varsity basketball and volleyball courts, a climbing wall and numerous multipurpose rooms for fitness and recreation activities.

Stephanie Bryenton (MSc, Family Relations and Human Nutrition) in front of the Aboriginal Resource Centre at Uof G
I chose to do my Masters in French Studies at Guelph for many reasons, the primary being the close-knit feeling you get from the department.

Jordon Bell | MA French Studies

PROGRAMS

College of Arts
arts.uoguelph.ca

Graduate students in the College of Arts conduct research in the liberal and performing arts that serves society by exploring the depth and breadth of human experience, in the past and the present, to help our world chart a course for the future.

HISTORY MA, PHD
(Joint program with University of Waterloo and Wilfrid Laurier University)
Graduate Program Assistant:
Audra Bolton
histgrad@wlu.ca
T 519-884-1970 x56528

PhD Research Fields:
• Indigenous Histories of Turtle Island
• Canadian History
• World History
• Early Modern European History
• Cold War History
• Modern European History
• Scottish History
• War and Society
• Medieval History

PHILOSOPHY MA, PHD
Graduate Program Assistant:
Janet Thackray
jthack@uoguelph.ca
T 519-824-4120 x56265

English MA Research Fields:
• Studies in Canadian Literatures (MA)
• Colonial, Postcolonial, and Diasporic Studies (MA)
• Early Modern Studies (MA)
• Sexuality and Gender Studies (MA)
• Transnational Nineteenth-Century Studies (MA)

CREATIVE WRITING MFA
(Facilitated at the University of Guelph-Humber campus)
Graduate Program Assistant:
Ana Rodriguez Machado
cwmfa@uoguelph.ca
T 647-459-1331

CRITICAL STUDIES IN IMPROVISATION MA, PHD
Graduate Program Assistant:
Olga Petrik
petriko@uoguelph.ca
T 519-824-4120 x56315

LITERARY STUDIES/THEATRE STUDIES IN ENGLISH PHD
Graduate Program Assistant:
Olga Petrik
petriko@uoguelph.ca
T 519-824-4120 x56315

Research Fields:
• Studies in Canadian Literatures (PhD)
• Colonial, Postcolonial, and Diasporic Studies (PhD)
• Early Modern Studies (PhD)
• Sexuality and Gender Studies (PhD)
• Transnational Nineteenth-Century Studies (PhD)
• Studies in the History and Politics of Performance and Theatre (PhD)

THEATRE STUDIES MA
Graduate Program Assistant:
Olga Petrik
petriko@uoguelph.ca
T 519-824-4120 x56315

STUDIO ART MFA

College of Biological Science
uoguelph.ca/cbs

Research conducted by the 300 graduate students in the CBS spans studies of cellular function at the molecular level, to lifestyle effects on human health, through to investigations of environmental factors affecting the biodiversity of life forms on a global scale.

HUMAN HEALTH AND NUTRITIONAL SCIENCES
MSC, PhD
Graduate Program Assistant:
Andra Williams
amwillia@uoguelph.ca
T 519-824-4120 x56356

Research Fields:
• Biomechanics (MSc, PhD)
• Nutrition, Exercise and Metabolism (MSc, PhD)
• Nutritional and Nutraceutical Sciences (MSc, PhD)

INTEGRATIVE BIOLOGY MSC, PHD
Graduate Program Assistant:
Lori Ferguson
cbsibgrad@uoguelph.ca
T 519-824-4120 x56097

Research Fields:
• Comparative Physiology (MSc, PhD)
• Ecology (MSc, PhD)
• Evolutionary Biology (MSc, PhD)

MOLECULAR AND CELLULAR BIOLOGY MSC, PHD
Graduate Program Assistant:
Bertilla Moroni
bmoroni@uoguelph.ca
T 519-824-4120 x56246

Research Fields:
• Biochemistry (MSc, PhD)
• Cell Biology (MSc, PhD)
• Microbiology (MSc, PhD)
• Molecular Biology and Genetics (MSc, PhD)
• Plant Biology (MSc, PhD)

U of G has plenty of wonderful research opportunities, and a big part of being a researcher is the chance to communicate your research to different audiences. My advisor is very passionate about her research and her enthusiasm resonates with everyone.

Adrian Taylor | PhD 2019 Human Heath & Nutritional Sciences
University of Guelph has unique and fully equipped laboratory facilities. Any grad student can take a long step on their desired research path. Meanwhile, coursework will also help students for learning the different disciplines.

College of Engineering and Physical Sciences
uoguelph.ca/ceps

CEPS offers numerous graduate programs enhanced by cutting-edge facilities/partnerships including the Guelph Advanced Analysis Centre, Electrochemical Technology Centre, Perimeter Institute, TRIUMF, Canadian Light Source, SHARCNET, MITACS, Canadian Water Network, the Institute for Quantum Computing, and the Advanced Food and Materials Network.

CHEMISTRY MSc, PhD
(Joint with the University of Waterloo)
Graduate Program Assistant (admissions): Kim Rawson
chemgrad@uoguelph.ca
T 519-824-4120 x53848
Research Fields:
• Analytical Chemistry (MSc, PhD)
• Biochemistry (MSc, PhD)
• Inorganic Chemistry (MSc, PhD)
• Nanoscience (MSc, PhD)
• Organic Chemistry (MSc, PhD)
• Physical Chemistry (MSc, PhD)
• Polymer Chemistry (MSc, PhD)
• Theoretical Chemistry (MSc, PhD)

COLLABORATIVE SPECIALIZATION IN ARTIFICIAL INTELLIGENCE
MASc, MSc

• Work and Organization (MA, PhD)
I choose graduate studies at the University of Guelph because it felt like home. Graduate studies cause you to think differently. The University of Guelph’s initiative of innovation to improve life is present in each lecture hall, lab, and library cubicle. Every graduate student is working to discover knowledge for a better world.
I highly recommend University of Guelph graduate studies for the prospective grad student who is looking to build their skills and improve their knowledge. The course work prepares students for research and fieldwork. The working experiences offered by faculty members provide the students with a chance to improve their skills and to be more employable and prepared for the labor market.

Rana Telfah | PhD Rural Studies
I wanted to expand my knowledge on cancer research by having experience in translational research. This led me to pursue a Master’s degree at the Ontario Veterinary College, the best place in Canada to do animal studies with potential for clinical applications. The sense of community in Guelph is a great compliment to the relaxed and accepting vibes of the University.

Ontario Veterinary College
ovc.uoguelph.ca

The internationally recognized, innovative, and collaborative research at the OVC focuses on improving animal health and well-being by enhancing our understanding of the development, prevention, diagnosis, and treatment of animal diseases and welfare issues thereby helping to sustain a viable animal-human-environment interface.

BIOMEDICAL SCIENCES MSc, MBS, PhD, DVSc
bmsgrad@uoguelph.ca
T 519-824-4120 x54780

Research Fields:

After working in industry for a couple of years I started to see the benefit of a well-rounded skill set in both scientific and business disciplines. The Master of Biotechnology program allowed me to develop this valuable skill set through courses taught by professors who have developed their own industry relationships.

Nathaniel Hoffman | MBIOT Biotechnology
## Admission Requirements

### APPLY ONLINE

www.ouac.on.ca/apply/guelphgrad

### APPLICATION FEES

$110 – all programs*  
*MBA & MA Leadership is $150

### START DATES

January, May, September.  
See department websites for details.

### APPLICATION DEADLINES

Application deadlines vary by program. See department websites for details. We recommend international applicants apply a minimum of 9-12 months in advance of their start date.

### International Students

**INTERNATIONAL CREDENTIAL EVALUATION**

International students can use the International Credential Evaluation Guideline* as a reference for gaining a better understanding of how we assess grades and degrees from around the world.  
[graduatestudies.uoguelph.ca/future/international/credential](http://graduatestudies.uoguelph.ca/future/international/credential)

**ALL DEGREES REQUIRE STUDY PERMITS:**

[cic.gc.ca](http://cic.gc.ca)  
[uoguelph/studyincanada](http://uoguelph/studyincanada)

**GRADUATE FUNDING**

uoguelph.ca/gsa

Every new full-time Doctoral student (Canadian or International) is guaranteed funding and you are encouraged to connect with the department regarding the amount. Master's stipends are offered at the discretion of the department.

**SCHOLARSHIPS AND FUNDING**

graduatestudies.uoguelph.ca/current/funding

Graduate student scholarship options include departmental stipends, graduate teaching assistantships, federal scholarships, provincial scholarships, internal university-wide awards, and internal college scholarships.
A great university within a great city.

Welcome to Guelph, one of Ontario’s fastest growing, best-run cities. Our 350 hectare, award-winning campus becomes your home when you enroll at the University of Guelph. The local lifestyle is progressive, as is the local economy. With a population of over 133,000, the city boasts urban amenities and yet provides the welcome of a smaller town. There is an extensive transit system to move you around, and the city is a stone’s throw away from other major municipalities like Toronto, Kitchener, Waterloo and Hamilton. The architecture is rich, the legacy is strong, and the community is connected. Alumni agree, the city’s warm embrace and the relationships you generate here will stick with you long after you leave.
Visit Us.
The best way to learn more about Graduate Studies at the University of Guelph is to visit us, meet faculty, and explore the possibilities in person. We look forward to meeting you.

CAMPUS TOURS
Learn more about what the University of Guelph has to offer by visiting us. We offer campus tours Mon-Fri at 10 am & 1:30 pm and Saturday at 1:30 pm. Please visit admission.uoguelph.ca/tours to reserve your spot.

SPOTLIGHT ON FACULTY AND GRAD STUDENTS

The University of Guelph Graduate Programs

The University of Guelph Graduate Programs are designed to provide students with advanced knowledge and skills in their field of study. The programs offer a wide range of options, including thesis, course work, and major research projects. Students can choose from a variety of disciplines, such as Accounting, Animal Biosciences, Art History and Visual Culture, Artificial Intelligence, and many others. Each program offers different study options, including thesis, course work, and major research projects. The University of Guelph makes every effort to ensure the information contained herein is as current as possible. The University reserves the right to make changes to policies, programs and services described in this publication without prior notice.
