Program

The one-year MBA program is ideal for recent graduates seeking to rapidly develop their competencies for the employment market. You will take 12 core courses offered in an intensive 7-week in-person format.

Kick-start your MBA with an intensive 3-day experience – the Lang Conference, where you will meet your peers and professors, engage with impactful keynote speakers, and get to know our beautiful University of Guelph campus.

Tailor the MBA program to your needs by choosing whether you will complete the degree through a major research project OR two additional elective courses.
